

## Terms and Conditions::

- Extra tasks not listed in the quotation will result in additional charges as per the agreed terms.
- Quotation prices will be valid for 3 months after booking.
- Pay 10% of the booking amount before 3D designing. Next, pay 50% of the quotation before work begins, and 30% in the second phase. Finally, pay the remaining 10% before the final fittings.
- After confirming your quotation, you can consult your assigned supervisor about upgrading material quality. Any alterations will impact the total amount. It's essential to communicate changes promptly to ensure accurate pricing and satisfaction with the final product.
- If there's a measurement problem while working, we'll measure together again. We'll then make the bill based on this new measurement.
- The company isn't responsible for any loss of valuable assets on the premises. It's important to safeguard personal belongings independently to avoid any potential issues or disputes.
- Your feedback videos might be utilized in the future for advertisement purposes. Kindly contact our company management if you object to the same.
- In the event that work is booked and subsequently canceled, a fee of RS. 2000 will be charged for the designer visit. Additionally, charges for 3D design are deductible at a rate of RS. 35 per square foot.
- If the timeline doesn't match as mentioned on the work order due to client's personal issues, drawing or design problems, or anything else, it can be extended.
- If the project is cancelled by the client after it has been started, all kinds of expenses - site visit and inspection by the supervisor, 3D & 2D design by back office, materials purchased for the site, labour charges etc., shall be borne by the client. The expenses shall be specified by the company depending on the progress of your work.
- If the payment is not made on the specified date, the timeline shall not be maintained. The payment date shall be specified by the supervisor during inspection and reminder mails shall be provided by the company itself.
- It is compulsory for a client to provide proper space, electricity and water to execute work.
